[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

To the honorable the Speaker, and Gentlemen of the house of Delegates

The Petition of Mary Ohara [Mary O'Hara] Humbly sheweth that She is the unhappy Widow of Daniel Ohara, a soldier who was killed at the defeat of Col. Buford [Abraham Buford] in a late action [Battle of the Waxhaws, May 29, 1780]<sup>2</sup> with the enemy to the Southward, in which engagement were also killed two of her sons; that by them and her husband, She who is old & infirm, with two small children were supported & maintained; that She was at that time, & still is far from home, in a helpless destitute situation without money, & of course friends; that should she be enabled to get home, she then has no probable means of subsisting, with any tolerable degree of comfort, her husband leaving nothing at his death to support her on, he having devoted together with his two sons, several of their last years in the service of their country in the army. under these very unhappy circumstances, your petitioner is increasingly alarmed at the future prospect of support for herself & her two helpless Children, and can see no prospect before her eyes, but the dreadful & horrid one of begging or starving without the interposition of your honorable house; She therefore humbly begs that you will be pleased to take her case under consideration & in your wisdom, goodness & mercy be pleased to grant her such temporary or other relief as you shall think necessary & fit. And Your Petitioner in duty bound shall ever pray &c.
