Your Memorialist respectfully represent, that they were too young to have any personal knowledge of the services of the said John Cunningham in the Revolutionary war; and have to rely on the statement of others who were with him in the service. That the said John Cunningham enlisted as a soldier of the State line of Virginia in the Spring of, 1777, under Capt William Cunningham, to serve for the period of Three years, and was attached to the 1st Virginia Regiment on Continental establishment, commanded by Col Richard Parker and General Muhlenburg. He was marched first to Williamsburg, and attached to the command of Capt. Calohil Mennis [sic: Calohill Minnis BLWt1507-300], and thence to the Head Quarters of the Army in the State of New Jersey. In the mean time, Capt Wm Cunningham under whom he enlisted, had been promoted and made Major. He served, under various officers, the full period of three years for which he enlisted, and was honorably discharged. He was also engaged in the battles of Brandywine, Germantown, Mud Island Fort, Stony Point and other engagements of less consequence, in all of which he acquitted himself with much credit. All of which will more readily appear by the [one or more lines missing at bottom of page] veracity cannot be questioned.

Your Memorialist further represent, that his name appears on the Army Register of the Continental line, as will appear by reference to Report of John H. Smith esq, late commissioner of Revolutionary Claims.

Your Memorialist, therefore pray, that they be allowed the quantity of land to which the said John Cunningham in his life time was entitled, for services rendered in the War of the Revolution, pursuant to the laws of Virginia in such cases made and provided. And as in duty bound, shall ever pray &c.
