NOTES:

According to E. M. Sanchez-Saaedra (A Guide to Virginia Military Organizations in the American Revolution, 1774-1787. (Westminster MD: Heritage Books, 2007): “In May 1779 Virginia’s Continental units were rearranged... at Middlebrook, New Jersey. Three Virginia detachments were created out of the remnants of the numbered Continental regiments and formed into a brigade under General Charles Scott.” The full names of captains above are inferred from the Middlebrook arrangement (http://revwarapps.org/b159.pdf), except for Capt. Butler. Lawrence Butler was the only Virginia Continental Captain with that surname. I could not identify the other soldiers.
