[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Also, the handwriting of the original scribes often lends itself to varying interpretations. Users of this database are urged to view the original and to make their own decision as to how to decipher what the original scribe actually wrote. Blanks appearing in the transcripts reflect blanks in the original. Folks are free to make non-commercial use this transcript in any manner they may see fit, but please extend the courtesy of acknowledging the transcriber—besides, if it turns out the transcript contains mistakes, the resulting embarrassment will fall on the transcriber. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. I welcome and encourage folks to call those and any other errors to my attention.]

[Nimrod Whitaker and Maryan Hill gave testimony in support of the widows testimony as to the date of death of her husband and the fact that she is the widow of Hawkins Bracket of Johnson County Indiana.]

[partial record from the clerk of Rutherford County, NC indicating at a marriage bond bearing Hawkins Bracket name along with that of Frederick Price and Nathaniel Tracey can be found in his office, but unfortunately, the main part of the bond is not included in ever the Footnote.com or HeritageQuest.com version of this file, so I could not ascertain the maiden name of the veteran's widow.]
