[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call errors or omissions to my attention.]

[Note: There is no application or supporting affidavits in this file. The main clue I could find in the file as to what may have happened to the contents appears in a note on fn p. 8, which reads: "The application Sent July 8, 1856 to Hon G. W. Jones Chairman of Comt on Pensions." The most comprehensive clue I find in the file as to what may have been in the widow's application and the supporting affidavits is in an undated, unsigned 2-page document which appears to be a summary (author unknown) of the evidence in the case. That document reads as follows:

"Nancy Fisher only heir of John Chisam a deceased Revolutionary soldier who died in Alabama June 15/29 leaving a widow Sarah Chisam who remained his widow and died August 30, 1848 act White County Tennessee.
