The information desired, was the authority on which Thomas Hall assigned the claims of Robert Hall, to Wm Reynolds.

On 24 March 1851 William B. Hall of Westmoreland County made oath that he was well acquainted with the family of Robert Hall, Sailing Master of the Virginia State Navy, and that he knew Master Robert Hall had no brother named Thomas Hall. On 29 March 1851 Robert Hall of Richmond County made a similar statement.

Washington 26 May 1851.

Mr. Jas. E. Heath/ Comm. of Pensions

Sir. You informed me today, that another set of heirs have presented a claim for Half-pay, as the true Representatives of the "veritable" Robert Hall, who was a Master in the Va. Navy of the Revolution.

As the ancestor of the new claimants, is shown to have lived, to about the year 1822, I believe, and as the Records in Richmond, show the "veritable" Officer died before June 1787, it would seem very clear, the new claim is founded in mistake.

On the 27th June 1787, Thomas Hall, as Rep of Robt Hall, sold to William Reynolds, the Depreciation and Land Bounty due for Robert Halls services as a Master in the Navy. On 28 Sept. 1787 the claim of Wm. Reynolds as assignee aforesaid to the land bounty was allowed, and he drew the warrant No. 4311 for 2666 $\frac{1}{3}$ acres of land.

The vouchers, on which the claim was allowed in 1787 & the land warrant drawn are on file in the Executive department at Rich'd.

It would seem, almost impossible that the man, who died 30 years after 1787 could have been the veritable officer – unless there were two Robert Halls in the Navy – & both Masters, which is rather improbable.

In the case, in which I rec'd. the Half-pay, for the veritable officer you will find proof, that Thomas Hall was the elder brother & heir of Robert Hall, who died in the latter part of the year 1786 or early in 1787.

The claim, by way of very abundant caution, was paid only to the 1 day of January 1786. Nearly one years half-pay being left unpaid – I have been often requested, to apply for this small balance, on behalf of the true heirs, and as I am now admonished by the proper representative of the U.S. that there may have been a mistake in the former settlement, I have the honor to request, that all mistake's may be corrected, and that you will now pay the balance of Half pay still due.

I am yrs. very respectfully/ Thomas Green
