Answer to No. 5.

I enlisted & marched to the 4 hole bridge [Four Hole Bridge] under General Marion thence to the fork of Wateree [River] there crossed the Wackamaw [Waccamaw], fought the British Colonel Watson & Tories – then crossed the Pedee [River] met the British and Tories at Goose Creek Bridge they were foraging – tried to take the forage from the British – we were defeated, then went to Black Creek & to Black Mingo & encamped scouting there, the Enemy had about 1200 [could be "200"] North Carolina militia Prisoners – placed our Blankets on the Bridge to prevent the Enemy hearing the horses feet, just at the day break attacked the Enemy took a British Captain & about 80 men & released the prisoners, who were on horse scouting about marched to Marion's Station (on Santee), called Ancrum's old fields – there scouting about in the neighborhood, on a scout within a few miles of Camden met the British & were defeated – Joined Greens Army at Pine tree Creek, went to Sand Hill Creek there fought & were whipped. I was often below Ancrum's old fields with 50 other man on a scout under Captain Snipes on a Scout when the Battle of Eutaw [Eutaw Springs] was fought heard the guns distinctly battle fought about 8<sup>th</sup> September 1782 [sic, 1781] a memorable day – continued to serve for 3 months after my term of a year was out, because the times were hot & the Country in such a state our officers would not discharge a man even when his time was out if they could possibly induce one to serve: I did serve & in all 15 months – discharged in spring of 1783 below Ancrum's old fields by General Marion, Got a written discharge but have lost it long since. General Greene and Colonel Washington & his dragoons not far from the High Hills when we went to Goose Creek where we fought – & were defeated – Horry was Major when he first was under him but got to the Colonel. I was wounded in the back & breast at the battle of Goose Creek. I am old, my memory very bad so bad that I cannot remember the times & places where we fought we had a great deal of scrimmaging under Marion. I cannot remember any of the militia regiments that were with us, we were with Green's Army about a month or 6 weeks Colonel Washington with his Dragoons along. I saw General Morgan of the Rifle Corps on his March not far from the High Hills of Santee we were with him but a short time perhaps not more than 24 hours. I may have made many mistakes as to dates for my memory is gone, but I believe the substance of the above is verily true.

Question 6. Did you ever receive a written discharge & by whom was it signed?

Answer – I received a written discharge signed I think by Marion. I got it of Colonel Horry.

Question 7th – State the names of persons to whom you are known in your neighborhood who can testify as to your character for veracity & good behavior and your services of the revolution.

Answer. I am known to James Truit Sheriff and David Elders the clergyman who certified for me and Samuel Sanders Esquire whose affidavit is hereunto appended.

[Samuel Sanders gave a supporting affidavit in which he stated he has known the veteran for 41 years; that the veteran has the reputation of having served in the revolution; that he, Sanders, has seen the discharge purportedly signed by general Marion; that he recollects one time of the discharge being read by Captain Samuel Ramsey of Lincoln County North Carolina; Sanders also recalls the veteran and Nicholas Isler, another veteran, talk about their services together in

the revolution.]

[David Elder, a clergyman, and James Truit gave the standard supporting affidavit.]

North Carolina Macon County: This day came before me James M Thomasson one of the acting justices of the peace for said County Thomas Hitchcock and after being duly sworn deposed and saith in answer to the requirements of J L Edwards of the pension Business first requires said Hitchcock to answer with respect to the date of his enlistment Answer Mr. W. Rone [sic, William Roane] drew off my claim and happened to rather be in a state of intoxication but as far as I can say done all my business correct only with respect to the date you wrote about I cannot read nor write and I understood him as having dated it right that it appears that he did not to the best of my recollection the date of my enlistment was in the latter part of the year 1780 or in the beginning of the year 1781 the other objection you wish me to answer why I did not apply for a pension center is I live in the most extreme part of the state of which is very thin settled and no person living in my reach that could do the business for me and I am very frail and cannot go and attend to any of that kind of business without some person comes to me. Sworn to and subscribed before me this day 14th March 1842

[fn p. 4: letter dated September 19, 1848 addressed to the Commissioner of Pensions from a Hunter Hitchcock in which he states that he is the son of Thomas Hitchcock and he makes reference to there being other children (unnamed) of the veteran. There is also correspondence in 1850 making reference to a Mrs. Hedgcock, the widow of this veteran.]

[fn p. 15: A typed letter in the file contains the following:

"The claim for pension was not allowed as the soldier failed to furnish proof of his service, as required by the pension law. One Thomas Hitchcock of the South Carolina line was found recorded as a deserter in February, 1783, and no evidence was submitted to prove that the applicant for pension was not identical with the deserter."]
