[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

Petition of Sarah Mann praying to be placed on the pension List and for Arrears of Pension Mil & Pens

[p 9]

The Honorable the Senate and House of Representatives of the State of South Carolina  
The petition of Sarah Mann, a resident of Pickens District in the above named State humbly  
Sheweth that she is the widow of Thomas Mann deceased, who was a pensioner of this State and  
who departed this life on the 31<sup>st</sup> day of May 1834, and she petitioned<sup>5</sup> your Honorable body to  
be placed on the pension list, shortly after his death, and does not know the reason why the  
prayer of said petition was not granted.

She is now about Eighty years of age, and was the wife of Thomas Mann through the greater part  
of the revolution.

She is very poor and helpless, has suffered a great deal since the death of her husband and is  
compelled to live with her son, who is very poor, has a large family and is almost blind.

She has no property but one small bed and a few clothes.

She therefore again petitions your honorable body to place her on the pension list and give her  
arrears of pension to keep her from starving the few days she has to live in this world, and she as  
your petitioner in duty bound will ever pray.

The Report of the Committee on the Military & Pensions Re the petition of Sarah Mann praying  
to be placed on the Pension list

[p 12]

<sup>5</sup> her earlier petition is not among the documents in this file

The committee on the Military & Pensions to whom was referred the petition of Sarah Mann praying to be placed on the Pension list & for arrears of Pension, Report that they have considered the same, and recommend that She be placed on the Pension List of this State and receive annually from the Treasury the sum of thirty dollars.

Ths. F. Jones Chairman

[p 14]

The Committee on the Military and Pensions to whom was recommitted the report of the same Committee on the petition of Sarah Mann praying to be placed on the Pension list, and for arrears of Pension, with instructions to allow the petitioner the amount She would have been entitled to, has she been placed on the Pension list immediately after the death of her husband – Report = that they have considered the matter, & that the husband of the petitioner died in May 1834 – having (as your Committee suppose) received his Pension for that year, consequently the claim of the petitioner upon the bounty of this State, would commence on the first of March 1835. From that time, to the first of March 1841 (being six years) allowing your petitioner to receive the usual allowance, of thirty dollars per annum, without interest) her claim will amount to one hundred & eighty dollars, the sum your Committee recommend, to be paid to the petitioner Sarah Mann, = And that she be placed on the Pension list of this State and receive annually, from the Treasury of the State the sum of thirty dollars.

Ths. F. Jones, Chairman
