[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

That the company to which he joined as volunteer was commanded by Captain Weekley (the applicant has forgotten his given name) and that Colonel Jenkins Davis (he believes his given name was Jenkins) was the commander of the militia with whom he served. That he volunteered in the County of Effingham in said State and proceeded immediately there from under the command of Colonel Davis into the State of South Carolina crossing the Savannah River at Sister Ferry [sic, probably Two Sisters] making a raft of rails and grape vines. After crossing Sisters the applicant was stationed at Black Swamp South Carolina two miles or thereabout distance from the ferry. There was at Black Swamp no Fort but Colonel Davis stopped at the said place to make accessions to his force. At Black Swamp your applicant under the command of Colonel Davis had a skirmish with a portion of the British dragoons about sixty in number. The commander of the dragoons was killed together with his horse and our horse taken. A few days after the skirmish with the dragoons, your applicant and his associates under the command of the same officers made an attack on some British soldiers marching by Black Swamp on their way to Charleston. No injury was done the Americans and none the British in this engagement as far as could be ascertained. Your applicant left Black Swamp in the month of May after he volunteered under the officers aforesaid and marched directly as scouts up in the mountains of North Carolina to a place called

Earle's [sic, probably Earle's Fort] and there remained about two weeks. About twenty miles from Earle's in the mountains the force under the command of the aforesaid officers had an engagement with a gang of Tories. Several of the Americans were taken prisoners. After this engagement the force under command of Colonel Davis was scattered. This happened about five months after your applicant left Earle's. From Laurens your applicant with his associates went back towards Spartanburg in the latter District they heard that Morgan [Daniel Morgan] was on the eve of an engagement with Tarleton and hastened forward to join Morgan but before they reached the Cowpens³ by fifteen miles distant news reached your applicant that the battle had been decided in favor of the Americans. After this your applicant and his associates marched in different directions in the State of Carolina for some time in search of the Tories until he heard of the surrender of Lord Cornwallis [October 19, 1781, Yorktown, VA].
