[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

To the Honorable J. C. Calhoun Secretary of War Mifflin County Pennsylvania Sct.

We Joseph Henderson and Joseph B. Ard physicians residing in Lewistown County & State aforesaid being appointed by the Honorable Jonathan Walker Esquire which appointment is hereto annexed to examine John Wright a Revolutionary Soldier who is inscribed on the Pension List of the United States and who is an applicant for an increase of pension conformably to the Acts of Congress in such case made & provided – And to report the nature of the Applicant's disability and in what degree it prevents him from obtaining a subsistence by manual labor. – We being first sworn as law directs report that on examination we find that John Wright has been severely wounded in the right knee the wound being obliquely upwards & outwards fracturing & carrying away a part of the patella & lacerating the muscles & integuments [?]³ – In consequence of which wound this leg is much smaller & weaker than his left – And the said John Wright being duly sworn doth depose & say that he is not able to perform more than one fourth of the manual labor he was able to perform before he received said wound – So that from his statement and our opinion he is three fourths disabled from performing manual labor for his subsistence.

Before me Samuel Jackson one of the Commonwealth Justices of the peace for said County personally Came the Subscriber William McCrum who being sworn according to law saith that he was and is now well acquainted with the above sworn John Wright and that he often seen him as a Soldier in Col. Lee's Legion and Ever since the warr he has lived his Neighbour William M.Crum Sworn and Subscribed before me at [part missing]

Anno Domini 1805 Sam Jackson

I hereby certify that John Wright served in the Legion commanded by Lt. Colo. Lee as a soldier in the Cavalry with fidelity to the end of the War. In 1783 he was wounded & after his recovering he was made a Serjeant, & behaved will in every situation in which he was placed. He was a native of New Jersey, & perhaps on that account the difficulty about the land has arisen. If the law giving those bounties in land does not forbid it, the bounty cannot be conferred on a man more meritorious. Given under my hand this 7th day of April 1806.

Jos. Eggleston

Sir, Amelia 7th April 1806

In conformity to your request I have enclosed a certificate relative to John Wright's services in the Legion from memory, as I could not lay my hand on any of the old Muster Rolls. If he can get the land without a violation of the Law, the bounty will be well bestowed, as there were few soldiers more meritorious. Of this I can speak with certainty, as he served in the Troop I commanded more than four years.

I am, Sir, with much respect/ y'r. obed. serv't.
