Pension Application of Thomas Stanford S11463 SC Transcribed and annotated by C. Leon Harris. Revised 11 July 2015.

The State of Alabama } On his 2nd day of June 1834 personally appeared in vacation before the Honorable Nath Haskins Judge of the County Court of Favette County Fayette County } Alabama Thomas Stanford a resident of Marion County aged about 78 years who being first duly sworn doth on his oath make the following declaration in order to obtain the benefit of the Act of Congress passed June 7th 1832, that he enlisted in the service of the United States in Chester District South Carolina about February 1776 under the command of Captain George Wade who was commanded by Col. Sumpter [sic: Thomas Sumter], and Joined the main army at or near the Eutaw Springs and marched from thence to Charleston South Carolina thence to Sullivans Island thence to Hadderwill point [sic: Haddrell Point] and was there furloughed on account of sickness sometime about February 1777 and returned home where I remained until the company to which I belonged was discharged. Again sometime early in the Spring of 1777 [sic] I was drafted in Chester District S. Carolina under the command of Capt [John] Nixon who was commanded by Col. [Edward] Lacey and marched from Chester District to Augusta [GA] from which place I returned home sometime in the summer thereafter making a service of about three months during which time I was in the Battle of Rockey Comfort [Rocky Comfort Creek GA, 22 Mar 1779] against the Indians. Again sometime in the summer after I returned home from Augusta [sic] I volunteered in Chester District S. Carolina under the command of Capt. [Hugh] McClure who was commanded by Col. Lacey and marched from Chester District to Wateree Creek and joined Col Sumpters Command from thence we were marched to Friday Fort and was in the Battle at Fridays Fort [Siege of Fort Granby at Friday's Ferry, 19 - 21 Feb 1781] against the British and Tories, from thence we were marched to Thompson's Fort [Siege of Belleville, plantation of Col. William Thompson, 22 Feb 1781] where we had a skirmish against the British and Tories from thence we were marched to Rice Bluff [sic: Wright's Bluff near Eutaw Springs] where we had another Skirmish against the British [at Fort Watson, 1 Mar 1781], from thence we were marched to near Camden where we had a Battle against the British [possibly skirmish at Ratcliff's Bridge, present Lee County SC, 6 Mar 1781] after which battle the company to which I belonged returned for a short time making a tour of duty at said term of about six weeks and was not called on again until another volunteer company raised at which time I volunteered but am not able to recollect the names of my officers or the period when the services were rendered owing to the effects of old age and the loss of memory but I know I was almost continually engaged in the service of the United States from the time I entered in 1776 until the end of the War. I never received a regular discharge for either term of service. the first term I was furloughed and each of the other terms we were only dismissed. But I am however able as yet to prove my services as an enlisted soldier, I know of no person whose testimony I can procure who can testify to the other part of my service And my reason for claiming out of my County is that there is no person at this time who attends to business of that nature in my County. And also to obtain a certificate from my oldest acquaintances who reside in this county. There is no clergyman living in my vicinity or near enough to my neighborhood to obtain a certificate therefrom. I therefore refer to the annexed Certificate of Isaiah Vanhoose and William Morton. I hereby relinquish every claim whatever to a pension or annuity except the present and declare that my name is not on the pension Roll of the agency of any State, the mas planfor Sworn to and subscribed the day and year aforesaid

Wades company who was commanded by Col Sumpter in the Revolutionary war and was a faithfull and Obedient soldier in said Company he is not able from personal knowledge to state the time of his entering the service and the time and manner of leaving the same but believe that he entered and retired from the service in a legal manner Sworn to and subscribed this 28th day of October 1834

State of Tennessee }

Be it known that on this the 27th day of October in the year of Our lord 1835 McNairy County personally appeared before me the undersigned one of the acting Justices of the peace in and for the county aforesaid John Henderson [pension application R4869] who is about seventy nine years of age and said Henderson after being duly sworn makes the following Declaration as a Witness for and behalf of Thomas Stanford who is an applicant for a pension under the Law of the United States passed 7th June 1832. The said John Henderson who is a respectable Witness deposeth and saith that he commanded as Captain in the Revolutionary War, he was at the Battle of Hanging rock in South Carolina which was faught in the year 178[page torn; see endnote] and that he has every reason to believe and doth believe from every circumstance and from facts that did transpire at that place which is in the Recolection of Mr Stanford that he was in that Battle. I do also belive he was at the Battle of Rockey Mount [sic: Rocky Mount SC, 30 Jul 1780] and blackstocks [20 Nov 1780]. I have no Recolection of seeing Mr Stanford at them places as he was in a different company from mine but I am well convinced he was there from circumstances and facts which he relates to me and which did occur, given under my hand the day and date above

Some time since I received a letter from the Department requiring further evidence Dear Sir or Record proof in the case of Thomas Stanford for a pension. I immediately wrote and received from the Secretary of State of South Carolina the enclosed document which appears to describe several tours of duty, but all of short duration, but nothing is said concerning the term of his enlistment which he served under Capt Wade, which tour was much the longest and the principal time that he desired pay for. I once enclosed the affidavit of Thomas Glaze to the Department relative to his services which appeared at that time to be the only one required, those services were both rendered at the same time under the same Captain although they were not commenced at the same time yet they served together a sufficient time to get thoroughly acquainted with each other. I saw the two men meet and heard them relate the circumstances which occurred in the service and both appeared to agree in every particular although they said they had not been in company with each other for near fifty years, which induces me to believe their services were correct. As it regards the character of the two men I will only give you my opinion. Mr Glaze has a tolerable education for a person born in the age that he was without an opportunity of being educated he belongs to no religious denomination some times drinks spirituous liquors and is quite a poor Man Mr Stanford to the contrary has scarcely any education and has belongd and still does to the Methodist Episcopal church for more than twenty six years he does not drink any strong drink and is also a poor man. But as regards their claims for a pension I would not hesitate one moment in saying I believe their statements to be correct, and would not feel satisfied if I thought I had been the cause of either receiving one cent unjustly. You will please examine the enclosed document together with those heretofore forwarded and if they will not entitle him to a pittance do not reject his claim but give him for this time to make proof of his services &c
