NOTE:

A letter dated 14 July 1837 states that Robin Smith had drawn up a declaration of his services, since lost or destroyed, in which he stated that he had served between two and three years. The letter also states that Robin Smith during the war had been "so poor that he had it nout in his power to hire a substitute if he wished it," and that he "was an inspector of tobacco almost until his death." The letter refers to Joel Beadles (pension application S17841) who would also have testified to Smith's service if he were still alive.

William Smith deposed in Henrico County VA on 3 Apr 1837 that Robin Smith died in Hanover County VA on 3 Nov 1833, leaving no widow but the following three children: William Smith, Thomas Smith, and Sarah Slaughter, wife of Stephen Slaughter.
