South Carolina York District

On this 13th day of November 1851 before me personally appeared William W. McCall a resident of the District and State aforesaid aged 50 years who being first duly sworn according to law doth on his oath make the following Declaration in order to obtain the benefit of the act of Congress passed June 7th, 1832. That this declarant in behalf of himself and the surviving children of David McCall states that his father David McCall was a soldier in the Army of the revolution as he has always understood and believes and as such he served the United States against the Common enemy and was generally in service from the Commencement of hostilities until the Close of the War. His first service was in Capt. Brumfield's Company, General Rutherford of the State of North Carolina in which State the said David McCall then lived, and marched from thence to the lower part of the State of South Carolina and continued in active service against the common enemy for 6 months in 1779 or 1780. His next service was in Sumter's Brigade of the State Troops under an enlistment for 10 months Capt. Giles' Company Col. William Hill's Regiment and was in the battles of Eutaw Springs, Biggin Church and several other places not recollected under the above officers and several tours of duty under the command of Col. Davie in the Militia General Sumter's Brigade, and was actively engaged under the above officers as above stated until the close of the war and was allowed a pension for his services by the State of South Carolina at the rate of \$60 per annum which was the reason he never availed himself of the bounty of the government to which he was entitled as his services were well known and duly appreciated, and was unable from bodily infirmity to attend court to make a declaration for some 5 years previous to his death. And that he now makes this application to recover the arrears due his father, for the benefit of his surviving children viz. Mary McCall, Elizabeth McCall, Selena McCall, Robert McCall, David McCall & Declarant.

Declarant further states that his father said David McCall departed this life in York District South Carolina on the 8th day of August 1838 leaving the above children him surviving and all of lawful age.

That after his discharge from the tour of Duty which lasted for 5 months your petitioner enlisted as a private in the State Troops for 10 months commanded by General Sumter Col. William Hill's

Regiment in Capt. Giles Company. That during this period he was at the battle of the Eutaw Springs in the affair at Biggin Church and after his discharge at Waxhaw in the Waxhaws Lancaster District that he faithfully served out his term of service & was honorably discharged. That at the last mentioned affair at Waxhaw he acted as a volunteer under Col. Davie. Your petitioner further states that he is now 74 years of age that he has a large family to sustain -- and that he is now poor and needy -- His wife is still living and the family now with him cannot by their exertions support him in comfort and he is now so infirm that he cannot labor for his & their support. Your petitioner does not own or claim any property whatever. The land he lived on is not he is own, and the personal property consisting of furniture & some stock the use and benefit in part which he enjoys only by the permission of his children whose property they are. Your petitioner stands greatly in need of the bounty & usual generosity of this State to render comfortable the declining years of himself & his aged wife. Your petitioner would also state that he has been a permanent citizen of this State from immediately after the peace of in '83 and that for his services in the State Troops he never received the first cent and that for his services, and the division of General Rutherford he was paid in Continental money which depreciated so much that he gave \$100 then for a flask of rum. He prays that he may be placed on the pension list
