State of Virginia County of Scott

On this 31st day of May A.D. 1855 personally appeared before me a Justice of the Peace, within and for the County and State aforesaid, Elizabeth Fields aged 84 years, a resident of Scott County in the State of Virginia who being duly sworn according to law, declares that she is the widow of William Fields deceased who was a private soldier in a Regiment of North Carolina troops in the War of the revolution. That her said husband served some five or six months, when having been severely wounded he was compelled to leave the service. On account of this wound he was pensioned as an invalid by the State of North Carolina, and upon his removal to Virginia in 1821 he was pensioned by the United States, and continued to draw his pension until the day of his death which occurred in Scott County Virginia on the eighth of February 1854.

For proof of his service in the revolution she would refer to the enclosed certificate of the Comptroller of North Carolina, and also to the papers accompanying his application for an invalid pension on file in the Pension Office.

Your declarant would further state that she was married to her husband in the month of August 1808 and in the County of Russell State of Virginia by William Wells a minister of the Baptist church, and that her name before she was married was Elizabeth Elliott. She further more declares that she is now a widow, and that she has never before received bounty land.

For proof of her marriage she would refer to the evidence on file in the 3rd auditor's office of Washington DC upon which she received the arrears of pension due her husband at the time of his death.

She makes this declaration for the work was of a taming the bounty land to which she may be entitled under the act approved March 3, 1855.

RM Heath of Washington City, DC, is hereby authorized as my attorney to prosecute this claim, and to receive any warrant or certificate which may be issued thereon.
