State of North Carolina Secretary's Office 15th of December 1823

I William Hill Secretary of State in & for the State of North Carolina, do certify that it appears from the muster rolls of the Continental line of this State in the revolutionary war, that George McDonald a musician in Capt. Evetts Company of the 3rd Regiment was mustered on the first day of May 1776, for 3 years and was discharged on the first of May 1779.

Given under my hand at office the date above

S/ Wm Hill

The name of the Capt. should have been Emmitt, and not Evett, on error committed in making out the Rolls, I have no doubt, & the applicant's name being spelt McDonnell instead of McDaniel all not to injure the claim.
