[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

To his Excellency the Governor of Virginia and to the Honourable Council, the memorial of Joshua Short a Revolutionary Soldier & pensioner of the United States, respectfully sheweth.

That your memorialist was raised in Halifax County Virginia. That he enlisted in September 1776 in Captain Hutchin's [sic: Thomas Hutchings] Company of Pittsylvania County for two years. This Company belonged to the Sixth Virginia Regiment under the Command in the first instance of Colonel [Mordecai] Buckner, who marched the regiment into Pennsylvania, and was there dismissed for cowardice his horse having run away when on the eve of an engagement and could not be taken up untill he arrived at Kingston being a distance of twelve miles. Major Hendrick [sic: James Hendricks VAS1490] of the same Regiment was then made Colonel and served as such untill he was wounded at the battle of Germantown [4 Oct 1777] by a musket Ball which struck him in the back of the head. Major Toles or Towles [Oliver Towles BLWt2213-450] then took command of the Regiment and commanded it until the 28th March 1778 when they were discharged at the Valley Forge on the Schuylkill. Your memorialist then enlisted for the war in the same Regiment, which then belonged to the Brigade of which General Wedin [sic: George Weedon BLWt2418-850] was the Commander in General Green's [sic: Nathanael Greene] division. This Brigade in the absence of Weden by Colonel Walter Stuart of the Pennsylvania State Regiment. Your memorialist served then till after the Battle of Yorktown [siege of Yorktown, 28 Sep - 19 Oct 1781]. He was at the battle of the Cowpens [17 Jan 1781], and went under Major Rose to guard the prisoners taken at that Battle to Winchester Frederick County Virginia and before he could join the army the war was over [see endnote]. Major Rose discharged him at Winchester. His discharges were sent by Captain Buckley of the Minute Men [possibly John Buckley of Pittsylvania County] a few years after to Richmond to procure a Land Warrant for your memorialist, but he lost them both without procuring the land. The first battle in which your memorialist was, took place in the bend of the Delaware River [23] Jan 1777] where Colonel Buckner horse took fright. He was at the Battles of Brandywine [11 Sep 1777] and Germantown. Your Memorialist was in the Mud Island Fort when under the Command of a French officer and remained there three weeks until relieved on Saturday evening and Sunday morning the Fort was taken [Saturday, 15 Nov 1777]. The Evening before he entered

this fort he was in the Red bank fort [Fort Mercer]. They were attacked by the Hessians who were repelled with the loss of about three hundred men and the americans but Eighteen. Your memorialist was present at the capture of the Hessians both on Christmas day at Trenton [sic: 26 Dec 1776] and on New Years day at Princeton [sic: 3 Jan 1777]. Your memorialist was then in no important battle until the Battle of Cowpens but was in very active service throughout the whole time. He is now Eighty one years of age and is a pensioner of the United States. Your memorialist is very poor and if you to whom he looks up as his only hope of prolonging a life which although longer than the generality of lives has nevertheless beyond doubt been shortened by the Hardships he endured during the wars shall be pleased to think that all or any of these services will entitle him to a warrant for Land your memorialist would humbly thank you to inform him what facts it will be necessary for him to prove and what proof will be required. His first term of service your memorialist has been informed is on record in the war Department at Washington but his second is not. Your memorialist hopes that some of the facts stated in his memorial may be found on record in Virginia. Your memorialists begs of you in requiring proof to consider that he has at this late period and in this distant Country but a very poor chance to procure such evidence as he could wish, but if his own Oath and the certificates of a number of the most respectable Citizens of this State (Illinois) and Kentucky that they believe what this memorialist states, together with such other proof as he may be able to collect will answer he will produce it. Your memorialist will ever pray as in duty bound &c Joshua Short

by his Attorney Edward Jones at Springfield Sangamon County Illinois. August 11th 1831.

NOTE: The Revolutionary War did not formally end until November 1783, more than two years after the battle of Cowpens.
