[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call errors or omissions to my attention.]

### State of Ohio Hamilton County

Personally appeared before me the subscriber an associate Judge of the Court of Common Pleas of the County aforesaid John Robinson a resident of said County who being duly sworn deposeth and saith that in the month of March in the year 1776 in the County of Loudoun State of Virginia he enlisted as a soldier in the Army of the United States then on Continental establishment for the term of three years in the company commanded by Captain Charles Porterfield attached to the eleventh Virginia Regiment then commanded by Colonel Daniel Morgan. That upon reaching the general rendezvous he was transferred to the rifle Regiment to which Colonel Daniel Morgan was appointed, that he served out the full term of his enlistment and at the conclusion thereof was honorably discharged. That his discharge was signed by Daniel Morgan then a General in the service but that the said discharge is lost and cannot be found. The said deponent further saith that having served his country with fidelity and at present being advanced in years he conceives himself entitled to the provision which has been made for the support of persons coming within the provision of the act of Congress of the 18th of March 1818 –
