[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undecipherad' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

To the Honorable President and Members of the Senate of the State of South Carolina The Petition of Samuel Mathis of the town of Camden in said State

Humbly Sheweth that your Petitioner is a Citizen of this State born and raised in the same, that he arrived at the age of sixteen a few months before the Declaration of Independence, and was immediately and often afterwards called out and served in the Ranks as a Militia Man in & during the Revolutionary War, that he never refused when called on, and often served as a Volunteer, that when Charleston in this State was besieged by the British Army [Charleston South Carolina fell to the British on May 12, 1780] under the Command of Lord Cornwallis your Petitioner went as a Volunteer from Camden to the defense thereof, arrived there a Day or two before it was completely invested on or about the 1st of January in the year of our

Lord 1781 [sic, 1780] and put himself under the Command of John Chesnut Esquire who was then Captain of the Camden Company of Militia, and served as a private Soldier in the same, and did his Duty regularly & faithfully until the Surrender of the Town on the 12th Day of the May following. That he (with his brother Soldiers of said Company) was detained there until the 20th Day of the same month (May) was then paroled to his place of Residence in & near Camden, that the British Army arrived at Camden within three or four Days after he did, so that he became within their Lines against his will, and was there obliged to remain, and did remain a Prisoner among them on Parole, duly observing and keeping the same until on or about the first of July in the year of our Lord 1782, when he was informed that he was regularly Exchanged. –

Your Petitioner further Sheweth unto your honorable House that on the first Notice of his being exchanged he immediately equipped himself & turned out again a Volunteer in defense of our Country, joined the Camden Company of Mounted Militia under the Command of Lieutenant Henry Bates and marched with them to General Greene's [Nathanael Greene's] Army then at the High Hills of Santee, thence up to Statesburgh, thence across the Wateree and Congaree Rivers to the Vicinity of Orangeburg with General Greene's Army, and thence with Generals Sumter [Thomas Sumter] & Marion [Francis Marion] (being detached) to Biggin Church, from whence we drove the British troops and pursued them to Quinby Bridge, where we had a very severe Engagement with them, one third of our Company being killed & our gallant Lieutenant was numbered among the slain; five Balls having passed through his Body: The rest of us were marched across Santee, discharged & came on after performing one months Duty.

Your Petitioner begs leave to state and declare to your Honorable House that he has not received Pay or any kind of Compensation for any of the said Services. That he claims none prior to the Siege of Charleston. That he was there four months and twenty days during which his life was in Jeopardy every Day and literally every hour, that he was thirteen months and upwards a Prisoner as above stated within the British Lines, during which he was often insulted & frequently threatened & in great danger so that he narrowly escaped with his life, that he served one month under General Marion as above stated as a private Soldier making in the whole about nineteen months, for which your Petitioner humbly conceives he ought to be paid, with the Interest thereon. –

Your Petitioner does not at present recollect anyone living in this part of the Country that can testify to these Facts on his behalf except it be General Zachariah Cantey. 4 who was present with him in Charleston, and in the Battle at Quinby Bridge, and was a neighbor and a Prisoner also to the British with your Petitioner. –

Your Petitioner would not ask for Pay or Compensation but is now grown old and infirm, being upwards of threescore & one, and is not able or ample in his circumstances and stands in need of it: He knows not what pay or Compensation he is entitled to but leaves it to the Generosity of your Honorable Body to grant him whatever may seem Benevolent just & right

And your Petitioner as in duty bound will ever pray

Samuel Mathis
