[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

[Another endorsement for one years interest is signed by Henry Zinn and John Sturzenegger whose signatures appear as follows:

³ Men who enlisted for ten months beginning in April 1781 in the SC State Troops of Light Dragoons under Hammond were promised wages payable in slaves taken from the Tories. Such 'pay' was known as "Sumter's Wages." When the number of confiscated slaves proved inadequate to pay this horrendous form of payment, the South Carolina Legislature authorized the payment of £94 Sterling in lieu of one grown Negro slave. As a Lieutenant in said Regiment, this veteran was entitled to one grown and one small Negro slave. The indent issued to him is in lieu of that horrendous form of payment.

Balance of Pay and Bounty due him for Services in that Regiment Together with Interest thereon from the first April 1782 to date hereof Agreeable to Resolution of General Assembly of the Eleventh March last &c.”]
