[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

State of Kentucky Bourbon County Sct.

Be it known that on this 21<sup>st</sup> day of November 1834 personally appeared before me Robert Scrogin a Justice of the peace in and for said County William Abney<sup>2</sup> aged 78 years the 12<sup>th</sup> day of August next who being first duly sworn according to law doth on his oath make the following declaration (to wit) That he entered the Army of the United States as a private Trooper in Col. Armond's Corps of Horse in the month of January 1782 and that at that time James Busby was a private Trooper in Capt. Le Browns Company belonging to said Legion of horse commanded by Col. Armond, and that said Busby continued in the said service until the close of the war and was discharged with this affiant at Little York in the State of Pennsylvania on the 28<sup>th</sup> day of November 1783 and that the said James Busby is now present before this affiant at Paris in Bourbon County Kentucky.

[p 41]

I William Busby of the County of Bourbon & State of Kentucky now in my 81<sup>st</sup> year since the 2<sup>nd</sup> day of May last duty pose & swear that I enlisted in the year 1776 into the company of Capt. Tarleton Pane [Tarleton Payne] that I was living in Goochland County Virginia at the time of my enlistment, that I enlisted on the 17 day of March of that year. That when we were marched to the Army our company was attached to 6<sup>th</sup> Regiment of the Virginia Line under the command of Col. Ball (If I recollect Burgess Ball). That we were inspected by General Washington himself near Middlebrook New Jersey and there sworn in, the 1<sup>st</sup> engagement was at the surprise of the Hessians at Trenton on the morning of the 26<sup>th</sup> of December 1776. Our company crossed the Delaware in the Jersey with General Washington on the night previous and after taking the Hessians we marched with our Regiment back to Philadelphia and marched from thence to Morristown – where all the Virginia line who were there were inoculated for the smallpox. The 1<sup>st</sup> Engagement we were in after we left Morristown was at Brandywine

<sup>2</sup> [William Abney W1202](#)

[September 11, 1777] my company was still commanded by Capt. T. Paine the Regiment by Col. Ball & the Brigade by General Scott [Charles Scott]. During the action Col. Ball was sent to defend Shadsford which we did until the Army was ordered to retreat. General Washington spoke in the highest terms publicly of our Regiment & sent Col. Knox afterward Gen. Knox to reinforce us. The next action was at Germantown [October 4, 1777] where we were again unsuccessful we went into winter quarters at Valley Forge. In 1778 I was in Battle of Monmouth [June 28, 1778] still under the command of Capt. Tarleton Pane. In the Winter of 1779 we were marched to South Carolina under the command of General Scott and was taken prisoner under General Lincoln [May 12, 1780], which took place in May. I then deserted shortly after from the British and on my way to Virginia fell in with Armand's Corps and enlisted in Capt. Le Brown Corps for the balance of the war. This shows the reason why I had no discharge from the Virginia line because I was taken prisoner. That I was discharged in Little York Pennsylvania the 3<sup>rd</sup> day of November 1783 by the command of General Washington whose name & seal was both attached to the discharge – during the war I was twice wounded & twice taken prisoner, the wounds are such that any surgeon can testify our musket & sword wounds and many of my friends can testify that I have had since they have 1<sup>st</sup> known me which is more than fifty years and must have been done in the war of the Revolution & if Dr. Prescott, Dr. Warfield (Pratter Warfield), Dr. Morris of Armand Legion are now living, they can testify & if Dr. Morris of Armond's Legion is now living to this day can testify to the wound from a sword on the back of my neck which while I live will be entirely satisfactory to my friends, that my Blood was freely spilt and nearly with the loss of my head. And further that what I have before testified to as to the time & service in Armond's Corps & again testify to the officers Armond was commander of the Legion, Shafner [George Schaffner] the major raised in Lancaster Pennsylvania, Lebert [Claudius de Bert] Capt. of the 1<sup>st</sup> Troop, Bedkines [?] Capt. 2<sup>nd</sup> Troop, Fontavier Lieut. Ruffin Ensign officers belonging to Lebert Company, Head Lieut. – Kiltens Ensign to Bedkins Troop – 3<sup>rd</sup> troop Capt. Le brown, Lieut. Decatier Ensign Murdoch, Grenadier Capt. Sharp, Pennett Lieut. 2<sup>nd</sup> Lieut. Smith Shafner Ensign nephew of the major. Rangers Le Barron Capt. – Riddle if I recollect was his Lieut. – Infantry Capt. Bress his officers I don't recollect – Quar. Master McDougal Waggon Master Bockett – If on the previous statement sent to the department it is stated that my discharge was on the 28<sup>th</sup> of November that must be a mistake in the writer & I want to change to 3<sup>rd</sup> of November 1783 – done in the courthouse in open court this 3<sup>rd</sup> of June 1835.
