NOTES:

On 3 June 1843 George Estes, pension application S18394, certified the marriage of David and Letitia Street. On 30 Aug 1843 Anne Broomfield, 83, stated that David and Letitia Street were married in Bedford County by Parson Gordon, an Episcopalian.

On 7 April 1844 Sarah Street, 42, certified that the family record transcribed below was written by her father, David Street, in a Bible printed in 1786. She also stated that "there was others of the childrens ages set down in another part of the same Bible but the leaf is nearly worn out, the dates of such births has been set down in another book but is not in David Streets hand writing." On 16 April 1844 John Phelps, 78, stated that he knew the following sons and their ages: Bailey Street "upwards of sixty years of age," Paul Street nearly 60, Hezekiah Street about 55, and Meshack Street "upwards of Fifty years of age." He also listed the following daughters: Frances Street, who he thought was the second child, Milcah Street, Letitia Street, Patience Street, Sarah Street, and Rhoda Street, the youngest child, thought to be nearly 40.

On 19 June 1844 Letitia Street was issued a pension certificate under the act of 3 March 1843, but payment appears to have been suspended as a result of an act of Congress on 30 April 1844 stating that a widow could not collect a pension at the same time her husband was entitled to one. This act was reversed by a Congressional resolution on 23 Jan 1845. On 16 July 1845 Letitia Street was issued a new pension certificate, which was sent to Paul Street. These events are relevant to the following letter by Paul Street.

Halifax County State of virginia, May the 2^d 1845

Mr J L Edwards Commissioner of Pensions, or genteelmen of the war department of the united States of america

Sirs this is to inform you that I am a son of David Street who was a Soldier of the Revelution and held a Certificate of Pension under the law of Congress past 1832 at Eighty dollars per annum. David Street died on the 21th day of march 1843 leaving 2 years and 17 days pension not Drawn after he was so fare gone that he Could not speak to be understood, he gaind his Strenght so he appeard to be in his proper Senceis, recovered his Speech Cald me to him and in the most Sollem manner Requested of me that I should Collect all the pension money which was dew him and pay it over to Letisia Street his widow and if Congress had past or should pass any law giving my mother Letisia Street a Pension that I would get it for her without Chargeing her for it, Stating at the time that if I did not the Swindlers would Cheat her out of part or all of it I promised him if life and ability lasted I woud do all he had Requested and take Care of my mother as long as She lived, Soon after the death of my farther I heard of a man Comeing to my mothers with all the flattery he was master of who said his name was Bagba [possibly Robert B. Bagby; see below] his given name I have forgotten, insisting that she should give up all Pension Claims to him that he would soon get as much money for her as she would Ever need, and a plenty to pay him self, as he lived in king and queen County and was a great part of his time in washington City and as to my self he knew I never Could get any thing for a man that was only a farmer Could not get a Pension Sertificate. and that our son is geting testamony which woud not do any good as there was none nessary. if she would give all up to him, So this man Bagby has been Comeing and sending to my mother Ever since a few days after my farther's death and she would ask him to Come and see me about the matter as I Requested her not to let her Claim of without I was present it is about 11 Miles from my house to my mothers, and I heard of Bagby within a mile of my house hunting of Claimes Still he has never Come neither have I ever seen him to know him, but some time in the last month April there has been a man who Calls his name Asa lyon who went to Letisia Street. She old and infirm tells her that he was an agent for bagby and he wished to get the Claim She was entitled to under the law of Congress 1838 that your Son Paul Street tryd to get for her but Could not and he never Could get a certificate of Pension for her as it had ben disalowed to him, but bagby was a great man and Could and did get thousands whare no other person Could So She had as well let bagby have the Claim and if he got nothing she should pay nothing but they would pay all the Exspence of the Suit and if they Recovered four Hundred dollars they would pay her Two hundred and would not Charge her but 2 hundred for their Trouble now the way those men are acting I have not a right a right to belive that if they get hold of money of Letisia Street that they will pay her anything, as they say bagby lives in king and queen County Asa lyon in mathews County on the Sea Shore as he says so. I know not when he told the truth as he told so many diferent tales, as a lyon Come to my house of the 26th of April after dark wished to stay with me soon told me that he had purchesed my mothers pension Claim for mr bagby, I told him I was sorry for that, he said he had made a binding contract with the old lady in writeing I ast who is the witness he said he witnessed it that he was doing bisness for Bagby there after told me he was part of the profits with him. I told him he Could not Re[c]over penson under the law 1838 without there was a provision in the law of Congress last Scesion [see note below] if there was I Could get for my mother a Certificate, there was no

late law he said but they Could get it

on monday the 28th April as a lyon went to my mothers to get her declaration it hapened the magistrate went at the time I did. I descovered when he red the declaration to my mother that she is Claiming under the law or Resolusion of Congress past january 1845 that she should Receive as her Declaration was filed before Congress decided that no widow should draw over the same time there husband had Drawn, now lyon said I you you told me there was no late law, he answered it is not a law but Resolution I Trust if letisia Street is entitled to any Certificate of Pension more than what she has receivd, that you will sent it to my self or to my mother of James S Eesley Halifax Courthouse virginia so she may get it her self and pay those men wat is rite be so good as to send me a Coppy of the law or Resolution past January 1845 and you will much oblige yours Paul Street"

On 6 Sep 1845 Jane Soyars, widow of James Soyars (pension application W6140), charged that her pension agent, Robert B. Bagby of King and Queen County had illegally withheld her entire pension instead of the half agreed upon.

On 28 April 1845 and on 2 June 1855 Letitia Street applied for the additional pension provided by that resolution.
