[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call errors or omissions to my attention.]

### Declaration

In order to obtain the benefit of the act of Congress of the 7th of June 1832  
Virginia Madison County: SS

On this 27th day of September 1832 personally appeared before the Justices of the County Court of Madison Virginia Larner Watson a resident of Madison County in the State of Virginia aged seventy years the 1st day of January next who being first duly sworn according to law doth, on his oath make the following declaration in order to obtain the benefit of the provisions made by the Act of Congress passed June the 7th 1832. That he enlisted in the Army of the United States in the year 1779 and about the first day of July of that year. I enlisted in the Regiment commanded by Colonel Frank Taylor who commanded one of the State Regiments of Virginia the number of the Regiment has escaped my memory (if I ever knew it) but the fact of my enlistment by the Colonel himself is fresh in my memory which happened as follows. I went to the Albemarle Barracks for the purpose of substituting myself for an acquaintance of mine by the name of Henry Lewis and on my arrival there found he had procured a substitute and so it happened that I fell in with Colonel Taylor and he himself enlisted me and paid me the bounty of \$30. The Regiment (Colonel Frank Taylor's) at the time of my Enlistment was stationed as a guard to the Hessian Troops then at the Albemarle Barracks in Virginia. I enlisted with the understanding that so long as it was necessary to guard the Hessian troops so long my term of service should continue, I remained at the above Barracks until the last of May 1781 and did not quit the service until the very last of the invalid prisoners was removed. The whole term of my service at the Barracks and in Colonel Taylor's Regiment amounted to about one year and eleven months. The Company to which I was attached in Taylor's Regiment was commanded by Captain Thomas Porter. A short time after my term of service expired in Colonel Taylor's Regiment I returned to the County of Culpeper Virginia (now Madison) the County of Madison taken from Culpeper about the year 1792. In the month of June 1781 and acquaintance and neighbor of mine Mr. George Wilhoite [?] was drafted from the County of Culpeper (now Madison) where we both then lived and are still living for a Tour of two months and he Wilhoite employed me to take his place, I have a perfect recollection that Mr. Wilhoite gave me two thousand Dollars in paper money as his substitute – and that it was only worth about \$20 in specie, I served this tour of two months in the Militia Regiment commanded by Colonel Alcock. I was at first in the Company commanded by Captain Joseph Early and in the course of the Tour he resigned; and I was attached to the company commanded by Captain Benjamin Lellard [?]. I

marched with other troops from Culpeper to Richmond Virginia and at a place called Malbin Hills [Malvern Hills] below Richmond I was supplied with such arms as the militia stationed at that place could furnish. From the Malbin Hills the troops were marched to various points and at one time near the close of the Tour we were near York town Virginia. A few days after General Washington took command of the Army in the vicinity of York town my two months tour expired and the militia from the upper Country relieved us; and I returned home. He hereby relinquishes every claim whatever to a pension or an annuity except the present and he declares that his name is not on the pension roll of any agency in any state.

Sworn to and subscribed the day and year aforesaid
