To the Hon'l the Speaker and Gentlemen of The House of Delegates

The Petition of Benjamin Blackburn humbly sheweth, that in or about the Month of August 1774, he enter'd into the Service of this Commonwealth in the capacity of First Sergeant in Captain Andrew Lockridge's Company of Rifle Men, in the Battalion commanded by Colo. Charles Lewis.

That on the 10th of October in the year 1774 your Petitioner was wounded in action against the Shawnee Indians, in the Battle of Point Pleasant in his Capacity of Sergeant in the Company and Battalion as aforesaid.

That in the year 1775 (as well as your Petitioner now reccolects) Commissioners were appointed to examine the wounded of that Campaign; and to ascertain such Invalids as were thought proper objects to receive Pensions.

That your Petitioner being one of the Pensioners thus return'd, was enter'd on the Pension List accordingly; and under the Laws of this Commonwealth was allow'd the sum of Twenty Pounds pr annum for Life.

That your Petitioner in consequence of the said allowance, receiv'd Payment of the the said Twenty Pounds pr Annum until the commencment of the year 1786.

That your Petitioner having remov'd from his former Residence in the County of Augusta and being since that Time prevented from regular attendance thro' indisposition and necessary domestic occupations, hath fail'd to notice and comply with an application to the Auditor of public accounts which is renderd necessary by an Act of Assembly passed in the year 1786, entitled "an act to amend the Act, intitled and Act to amend the act concerning Pensioners;" and hath been accordingly omitted on the Pension List aforesaid.

Wherefore! in tender consideration that your Petitioners non attendance hath been unavoidable; that being wholy ignorant of the Laws, or any alteration on this subject: attending only to matters in private life, and the honest acquirement of a comfortable subsistence for himself & Family in a remote part of the Country; your Petitioner humbly prays that your Honourable House will take his Case into consideration and grant him such relief in the Premises as he may justly merit, and to your Honourable House may seem equitable and convenient. Trenjamin Black barn

And your Petioner as in duty bound shall ever pray.

to Claims Oct 16th 1792 reasonable £15 pr An.

Being particularly requested by Benjamin Blackburn to view & Examine certain wounds which he says he received in the year 1774 at the Battle of Point Pleasant with the Indians; find that two Balls appear to have passed thro' the right arm above the Elbow; that the Bone appears to have been Broken & that Exfoliations have taen place; that there is some Contraction, as well as an evident withering of that Limb; & also a Ball appears to have entered the left wrist but without any great Injury at present. That the forefinger of the left Hand has also been much Injured and said to be by a Ball.

The Disability of this Person is evident & his suffering must have been great & do not conceive he could support himself by hard Labour only.
