Andrew Green came before a justice of peace for this County and made oath, that he is the same Andrew Green, to whom the original certificate was granted. That he served in the first Regiment of Virginia at the time he was disabled, and that he now resides in the County of Fairfax, and has resided there for the last nine years, previous to which, he resided in the County of Frederick, Va. Given under my hand this 1<sup>st</sup> Jan'y 1816.

NOTE: The file contains miscellaneous documents relating to the pension, the last of which is a power of attorney for the year 1817. Beginning about 1800 Green's pension was paid in Fairfax County VA, in Jan 1803 it was stated that he was a resident of Fauquier County VA, and in 1805 he lived in Frederick County VA before returning to Fairfax County in 1806. In the final document he was a resident of Wood County in what is now West Virginia.
