Virginia documents pertaining to John Gordon VAS2150

Transcribed and annotated by C. Leon Harris.

[The following are from <u>rejected claims in the Library of Virginia</u> in two files. Onee file also contains an "Extract from Winchester Gazette" that is not legible.]

It would appear from a list of unsettled accounts forwarded to John Paine Esqr. commissioner army accounts by Andrew Dunscombe commissioned for Virginia that Lieutenant John Gordon has not received his pay for the years 1782 and 1783 and that it was due him

The report is in my possession at this time. A. M. Green 29^{th} August 1835

To The Governor of Virginia

Your p[etitioners], the heirs and legal representatives of John Gordon, dec'd who was an Officer in the War of the Revolution Respectfully state

That their Ancestor (the s'd Gordon) entered the Army sometime prior to the close of the Revolutionary War. And as they have been informed & have every reason to believe continued to serve the Army until the very close of the war.

Your petitioners are too young to have any personal knowledge of the services of Lieut Gordon – but from the circumstances – have reason to believe he was under the command of Gen'l. Lee – he was intimate in his family. [See endnote.]

The proofs exhibited in a part of their claim to bounty Land – your petitioners pray may be regarded as abundant and satisfactorily proven in order to shew that they in consideration of his military services are entitled to the proportion of Land bounty due a Lieut. of the V.a Cont. line for services to the end of the War.

And they in duty bound will ever pray. [signed] Joseph Deshields Jr SAG Deshields State of Virga }

Battle of Eutaw [Eutaw Springs SC, 8 Sep 1781] Lt Gordon & Cornet Simmons were the only two of

Washingtons [Lt. Col. William Washington's] Officers who could return into action. The survivors of Washingtons Command being rallied united themselves to Hamptons [Lt. Col. Wade Hampton's] and were again led up to the charge upon Majoribanks [British Maj. John Marjoribanks] – but without success. – page 236. Green visits the sick

To Governor [David] Campbell

The petition of J Deshields Jr. on behalf of himself & the other heirs of Lieutenant John Gordon, respectfully shews, that he was a Va. officer in the Cont. line, in Col Wm. Washingtons Reght to the end of the war.

Voucher No 1 filed in James Simons case, shews that John Gordon was a Cornet in Col. Washingtons Regt: and settled with as of the Va. Cont. line.

Mr. Dunscomb stated in his settled accounts a list of "Unsettled accounts" on which is the name of Cornet John Gordon, as entitled to his pay for the years 1782 and 1783, which shews he must have serve to the end of the War.

In the advertisement of "John Hopkins" the successor of Mr. Dunscomb in Virginia, he states that this pay for services in the year 1782 & 1783 were still due. These statements of Mr. Dunscomb & Mr Hopkins are of the very best kind of evidence, & were made our from the records submitted to them.

all of which is respectfully submitted/[signature undeciphered]

NOTE: "Gen'l Lee" may refer to Gen. Charles Lee, but more likely to Lt. Col. Henry Lee, who commanded a legion of cavalry and infantry. "he was intimate in his family" could mean either that Gordon was friends with Lee's family or that he served on his staff.
