Personally appeared before me Tho N Eubank a Justice of the peace for the said County, Henry Brown, and made Oath that the within named Robert Brown as certified by James Franklin Esq'r was his Brother, and that no part of the bounty to which he was entitled to was ever drawn by him or any of his legal representatives, nor did he ever act in the capacity of a trumpeter, he Enlisted as a Soldier in the year 1776 and died the year 1778, he verily believes, himself & two other Brothers being in the services at the time of his inlistment for two years, and his having died before his time expired it is improbable that this can be the same Robert Brown as showd by the Register to have drawn his bounty Given under my hand this 23rd day of Oct'r 1812
