Virginia documents pertaining to George Greenway VAS3766
Transcribed and annotated by C. Leon Harris.

[The following is from [bounty-land records in the Library of Virginia](#) misfiled as Green, William. The long statement referred to is dated 14 Jan 1812, but is otherwise not legible enough for transcription.]

The object of the within long detailed statement, [three undeciphered words] the Case of George Greenway before the Legislature; but before his arrival in Richmond, the time for [undeciphered word] Petitions had elapsed. He now Calls upon me to Certify that the facts contained in the statement are correct; and means to address the same in support of his Application to the Executive for a Bounty in Lands. As I was acquainted with George Greenway from his Infancy, and living in the Neighborhood with him, it is perfectly in my recollection that in the month of November or December 1776 he enlisted in the 11th Virginia Regiment on Continental establishment, commanded by Colonel Daniel Morgan (I think) for the war, soon after which he was promoted to the rank of Ensign in that Regiment – in the beginning of the year 1777 Congress directed that sixteen additional Regiments shou'd be raised, & authorized the Commander in Chief to appoint the officers. Charles M. Thruston [Charles Mynn Thruston X806] was appointed to the Command of one of these Regiments, in which George Greenway was promoted to the rank of Lieuten't – some partial enlistments were made, but the Regiment was never compleated. [undeciphered word] the officers were disposed of by Congress, [several undeciphered words]; but my impressions are, that such of them as did not accept of a year's pay were considered supernumerary, but of this I am unable to Certify with any degree of certainty. I can only add that I always considered him a brave soldier & respectable Citizen; I perfectly remember him on an Expedition against the upper Shawnee Towns in the spring of the year 1774, & likewise on Lord Dunmore's Campaign against the Indians in the fall of the same year; on these expeditions he distinguished himself as a brave & orderly soldier
