Dear Sir [Colo. Thomas Meriwether, Richmond]                      This will be handed you by Lieutenant  
Glascock who I beg leave to introduce to your acquaintance as a particular friend of mine.

Mr. Glascock wishes to obtain his Warrant for Land as an Officer in the 1<sup>st</sup> Regiment Light  
Dragoons, he was appointed a Lieutenant in that Regiment the 1<sup>st</sup>[?] Septem 1780 and served such, until  
he was taken Prisoner the 6 of June following [date unclear] – he was in the last arrangement contrary to  
his desire deranged on account of being a Prisoner. I have been thus particular in mentioning the  
circumstances in consequence of a conversation that hapen'd between you [one or two illegible words]  
some time since. The arrangement of our Regiment in my Opinion was unjust and on every principal of  
Justice Mr Glascock ought to have been arranged

I am D Sir  
Prince Edw'd [Prince Edward] March 23<sup>d</sup>

Your [illegible word] Brother  
James Meriwether
