Sir [The Hon P. B. Porter Sec. of War], In my declaration annexed you will perceive that I did not "declare that I afterwards received certificates for the reward of eighty dollars to which I was entitled under a resolve of Congress passed the 15th of May 1778." But the declaration I made on the subject of the certificates was strictly according to the truth: And I account, for not receiving the certificates in the following manner. Many of the privates, my comrades received their certificates; but despairing of ever realizing any thing from them, parted with them immediately for a mere trifle; I, & others, on account of their want of value were wholly careless about ours, & did not put ourselves to the trouble of requiring them.

Your humble servant/ Christopher hisXcross Duncan
