Pension Application of John Hooker R20384 NC SC(?) VA(?) Transcribed and annotated by C. Leon Harris. Revised 26 Jan 2017.

State of Georgia Richmond County } Court of Common Pleas City of Augusta City of Augusta

On this Twenty Sixth day of March In the year of our Lord one thousand eight hundred & twenty seven — Personally appeared, in open Court the same being a Court of Record by the Legislature of the State aforesaid Established in and for said City, John Hooker a resident of the County & State aforesaid aged Sixty Six years and being duly Sworn according to Law doth on his oath make the following declaration in order to obtain the benefit of the provissions made by the acts of Congress of the 18th March 1818 and the first of May 1820.

To wit That he the said John Hooker enlisted for the term of Three years in the year 1778 in the State of Virginia in the Company of Capt John B Ashe attached to the fourth Regiment of United States Infantry commanded by Col Armstrong which term he served out & immediately after again enlisted in Capt Powels Company of Artilery attached to Col Hogans Regiment & where he served to the end of the war and was finally discharged at Bacons Bridge on Ashley River South Carolina. [See endnote.] During this time of Service was in several Battles, and at Camden So. Ca. [either Battle of Camden on 16 Aug 1780 or Battle of Hobkirk Hill near Camden on 25 Apr 1781] received a slight sabre wound in the head, at the Battle of Guilford Court House North Carolina [15 Mar 1781] he received a musket or other small Ball in the ankle – at Eutaw Springs [8 Sep 1781] received a musket or other small Ball in the hip which brought him down & while down was run over by a Dragoons horse which trod on & Broke his Collar Bone, at the same battle but previous to receiving the wound in the hip a large Ball passed over his right instep & disabled him, the upper part of the foot being Torn off by the force of the Ball & much injury done to the ankle & Bones of the foot & Leg, and in the same Battle lost his right Thumb in wheeling the Carriage of the gun, by having it mashed off — That he hereby relinquishes every Claim whatever to a pension except the present that his name is not on the roll of any state except Virginia & North Carolina and that the following are the reasons for not making earlier application for a pension. That untill recently he has been able by the Labor of his own hands to support himself & a large family & did not conceive it consistent with his oath on enlisting to receive a support or pension from his Country while he was able to Maintain himself, but from the circumstances of his having been several times severely wounded and his age renders him now almost incapable of Labouring.

And in pursuance of the act of the first of May 1820 I do solemnly swear that I was a resident Citizen of the United States on the 18th day of March 1818 and that I have not since that time by Gift Sale or in any other manner disposed of my property or any part thereof with intent thereby to diminish it so as to bring myself within the provissions of an act of Congress entitled, "an act to provide for certain persons engaged in the Land & Naval Service of the United States in the revolutionary war," passed on the 18th day of March 1818 and that I have not nor hath any person in Trust for me any property or securities Contracts or debts due to me nor have I any Income other than what is contained in a Schedule hereunto annexed & by me subscribed.

212 acres of Land in South Carolina unfit for Cultivation & of no value to me having offered it at 12½ cts pr acre without being able to effect a sale. John Hooker

NOTE: A card in the file bears the note "Evidence insufficient." None of the officers listed in Hooker's first declaration appears to have served in the 4th Virginia Regiment. In 1778John Baptiste Ashe was a Captain in the 6th NC Regiment. Col. James Armstrong commanded the 4th NC Regiment. There was no Col. Hogan in 1781. I could not find a Captain Powel or Powell in the artillery of any state. There was a 4th South Carolina Regiment (Artillery), but it was captured at Charleston on 12 May 1780 and ceased to exist.
