NOTE:

On 27 June 1851 Allen Holland applied for a pension. He stated that Jacob Holland died on 17 Sep 1838 while visiting a son in Harrison County VA, and that Mary Holland died on 12 April 1840, leaving the following six children: "Allen Holland (the affiant) now aged 64 years, Elizabeth Holland aged 62 years; Daniel Holland aged 57 years, William Holland 54 years; Richard Holland 52, Solomon Holland 48 years; Isaac Holland also son of said Jacob, and Mary Holland having died before his father and mother, leaving two children viz Alpheus and Eliza Holland."

On 8 Sep 1851 Allen Holland, age 64 on the previous 14 June, stated that his parents, Jacob and Mary Holland were married about 1786 by an Episcopal minister named Reed in Montgomery County MD, and that they moved in 1790 from that county to Washington County MD, then to Berkeley County VA in 1796, and then to Monongalia County in 1801.

Allen Holland's application failed apparently for lack of proof of the date of his parents' marriage.
