[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

She signed her affidavit with her mark.]

[pp 43-45: Is an affidavit dated Nov. 28, 1846 given in Sangamon County, Illinois by William Drennan, 78 next April, given in support of the widow's application. Anyone interested in the Drennan family would find this affidavit interesting because of the affiant's details of his own life and marriage to Mary Thomas "with whom he still lives."

William Drennan]

[Facts in file: The veteran and his wife had ten children: Samuel, John M., Polly, Sally, James the fifth child born about 1805, William, Joseph, Nancy, Betsey and Robert. In 1846 a number of these children were living in Illinois near Springfield, which ones not stated. The widow's claim was not allowed because she failed to prove her husband served at least six months as required by the pension law.]

⁶ I think this could either be Captain George McCulloch or Captain John McCool.

⁷ I think this is most likely Lieutenant Robert Wilson who served under Captain John McCool of the 2nd Spartan
Regiment and was at both Rocky Mount and Hanging Rock as well as older battles in South Carolina
