[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

On the 18th day of October 1833 personally appeared in open Court before the worshipful Court of Pleas and Quarter Sessions now sitting Jacob Little aged 78 years a resident of the County and State aforesaid a soldier of the Revolution - who having been first sworn according to law doth on his oath make the following declaration in order to obtain the benefits of the Act of Congress passed June 7, 1832

That he entered the service of the United States under the following named officers and served as here in stated.

I volunteered as a private in the Militia on the 16 August 1780 - for three months in the County of Pitt, State of North Carolina under Capt. John Hodges and was marched to join the main army to go against Lord Cornwallis but Gen'l Gates [Horatio Gates] defeat at Campden [sic, Camden, August 15-16, 1780] So. Carolina disappointed us - we joined col. Seawell's [Benjamin Seawell's] Regiment at Ramsey's Mill on Deep River [words obliterated] we marched to the Yadkin [words constituting what appears to be one entire line of text have been obliterated] very troublesome to our Army—we suffered much for want of provisions &c—owing to sickness I was discharged on the [date obliterated] October 1780 by Robt Williams Surgeon by order of Genl Sum[balance of name obliterated, but properly "Sumner" [Jethro Sumner] as he is mentioned later in the document] ____ having Served 12 months in the Light Infantry as a Sergeant.

I volunteered again as a minute man in December 1780 in the County of Pitt No Carolina for no stated time—under Capt. not recollected Col James Gorum's [Lt. Col. James Gorham's] Regiment to go against the British and Tories who were then marching & ravaging the Country from Wilmington to Newbern [sic, New Bern] No Carolina. I was one of the Guard under Lieutenant John Robinson in a skirmish with the enemy at night near Genl Bryan's Millson which Genl Bryan's mills house was burned &c. Soon after this I was ordered together with others to go back to Pitt County for the purpose of getting more men and a fresh reinforcement—as many of the neighboring Counties had at [this] period become nearly all Tories—but before we effected [this] end for which we were ordered—Col. Gorum and his Regiment returned home to Pitt County where I was discharged having served nine months having served during both Terms ten months & a half - most [document torn and words missing] Sergeant but having always turned out as a private soldier—I only claim a pension as such. I have in my possession a written discharge which I received from Robt Williams Surgeon by order of Genl Summer—which I enclose herewith—I received no written discharge upon my last term of service nor do I know of any person whose testimony I can procure to testify to my services—for this Term—I no other documentary evidence of my services nor do I know of any person whose testimony I can
