[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

State of Illinois, County of Perry

On this third day of January 1840 before me the subscriber a Justice of the peace for the said County of Perry personally appeared John Banes who on his oath declares that he is the same person who formerly belonged to the Companies commanded by Captain Peter Bennett, __ Harris & George Farragut in the Regiments commanded by Colonel __ Moore, Col. __ Ramsey & by Major Bennett Crafton & Major Joel Lewis in the service of the United States; and that his name was placed on the pension roll of the State of Tennessee from whence he has lately removed, that he now resides in the State of Illinois where he intends to remain and wishes his pension to be there payable in future. The following are his reasons for removing from the State of Tennessee to the State of Illinois viz.: The only child he has living resides in Perry County State of Illinois, and through the cohabitations of herself and husband and a desire to spend the short remnant of his life in the neighborhood of said child in order that he might enjoy her company and receive her assistance in case of need were his only reasons for moving from Tennessee to Illinois.

Sworn & subscribed to before me the day and year aforesaid.
