He served faithfully the period of his enlistment, and was honorably discharged. Wood Jones was first Lieutenant, John Oglesby 2^d Lieutenant, and John Worsham Ensign, in the said company. To his Excellency the Governor of the Commonwealth of Virginia:

The memorial of the Heirs and legal representatives of Edward Gibbs, formerly of Amelia County, Virginia, but late of Logan County, Kentucky, who was a soldier of the State Line of Virginia on Continental establishment in the war of the Revolution: Respectfully sheweth:

That the said Edward Gibbs, enlisted as a soldier under Capt Everard Meade in 1776, to serve for the period of three years, and was attached to the 2^d Virginia Regiment on Continental establishment. That he served faithfully the said term of three years, and was honorably discharged from service. That Wood Jones was 1st Lieutenant, John Oglesby 2^d Lieutenant, and John Worsham Ensign, in the said Company. All of which will more readily appear by reference to the accompanying Certificate of Samuel Burton, who was with the said Gibbs the whole time [see endnote].

Your Memorialist farther state, that the name of the said Edward Gibbs appears on the Army Register of the Continental line, and that he has never received his Land Bounty promised by the State of Virginia to her soldiers of the Continental line.

Your Memorialist, therefore, pray that the Executive will grant them as the heirs, the usual quantity of Land allowed a soldier of the Continental line for a service of three years pursuant to the laws of Virginia, in such case made and provided. And as in duty bound shall ever pray &c [16 April 1838] Norvill Gibbs [son of Edward Gibbs]

NOTES:

Samuel Burton's own pension application states that he served at a different time from that of Gibbs.
