On this day personally appeared in open Court before the Judges of the Cooper County Court now sitting, Amos Ashcraft, who by way of an amendment to his declaration for a pension hereto attached, and being first duly sworn according to law, deposeth and saith that by reason of old age and the consequent loss of memory, he cannot swear positively as to the precise length of his service, but according to the best of his recollection he served not less than thirty months in the capacity of a private malitiaman, in the manner stated in his said declaration, and for such service he claims a pension.

That he hereby relinquishes every claim whatever to a pension or annuity, except the present, and he declares that his name is not on the Pension Roll of any Agency in any State.

And he further states that he makes his declaration before the Court of Cooper County, instead of Howard where he resides, because his residence is something near twenty miles from the County seat of

Howard County, which distance this declarant cannot travel without great bodily pain – laboring at this time under pains of limbs produced by old age and infirmity of body, that he lives immediately on the North Bank of the Missouri River, and that the County seat of Cooper County is ammediately on the South Bank of said River five or six miles below his residence to which place he can be easily carried by a water craft without undergoing the bodily pain incident to his travelling by land
