Southern Campaign American Revolution Pension Statements & Rosters

Pension Application of Aaron Haskins S18437 VA
Transcribed and annotated by C. Leon Harris

On this 14th day of August, Anno Domini 1832 personally appeared in open court, before the County Court of the County aforesaid [sic: Chesterfield County VA], now sitting, Aaron Haskins, a resident of the said County and State, aged seventy five years, who being first duly sworn according to law, doth, on his oath, make the following declaration, in order to obtain the benefit of the act of Congress passed June 7th 1832, entitled "an act supplementary to the Act for the relief of certain surviving officers and soldiers of the Revolution."

That he entered the service of the United States under the following named officers, and served as herein stated.

In the year 1775 he enlisted for the term of two or three years (he does not remember which) as a volunteer in Captain Francis Goode's Company of minute men, in the County of Chesterfield & state of Virginia, & in the month of October of that year entered the service with the rank of Sergeant to the said company, marched down to Williamsburg where the said company was put under the command of Colonel Patrick Henry, continued in the service about seven weeks, was discharged about the middle of December & returned home; that the subaltern officers of the said company were George Markham, Lieutenant, & James Moody ensign.

In the summer of 1776 he again entered the service in the same company (with the rank of Ensign) commanded by the same Captain & James Moody Lieutenant, in the same county & state, marched with the said Company by land to Hampton, where they were embarked & carried to Portsmouth & attached to the Regiment commanded by Col. Samuel Meredith & Lieut. Col. Richard James, & was discharged in the County of Chesterfield, he supposes sometime in the month of December, as he remembers there was a considerable fall of snow before the company left Portsmouth, having served during this term at least three months.

Late in the winter or early in the Spring of 1781, the said declarant again entered the service, in the same County, as a Sergeant in the company of militia commanded by Captain Edward Moseley, John Hill & Robert Wooldridge being the subalterns, marched with the said Company down to Blackwater in lower Virginia, in the Battalion commanded by Major [William] Boyce, Regiment commanded by Col. James Monroe & Brigade by General Muhlenburg [sic: Peter Muhlenberg]. After remaining there a short time, they were pursued up to Petersburg by the British forces under either [Gen. William] Phillips or [Gen. Benedict] Arnold. that he was present but being posted in that part of the Town called Pocahontas) did not engage in the Battle at Petersburg about the last of April [Battle of Blandford Hill, 25 Apr 1781], when the Baron Steuben also had some command, against the combined British force under General Phillips & Arnold; from Petersburg, marched through Chesterfield about the time the Courthouse of that County was burnt by a detachment of General Phillips's Army [27 Apr]; crossed James River at Tuckahoe, marched down to Richmond & was met there by General Lafayette, & discharged soon after at Wilton in the County of Henrico, in the month of May, some time after the death of Gen'l. Phillips at Petersburg [13 May], as well as he can now recollect; having served during this tour at least three months.

In the latter part of the summer of the same year, he again entered the service in the same County, as orderly sergeant in the militia company commanded by Captn George Markham, Robert Wooldridge & Luke Fowler being the subalterns, in the Regiment commanded by Col. St. George Tucker, marched down to the neighbourhood of Williamsburg, & then to York; was present & engaged in the siege of that place; after the surrender of Lord Cornwallis's army [19 Oct 1781], attended the prisoners to Winchester, returned to the County of Chesterfield, & was then discharged about the last of November, having served upwards of three months.

That he was born in the County of Chesterfield and state of Virginia, the 9th February 1757 as he has always understood, and has always resided in the same County in the neighbourhood, but has no record of his age. That he never received any written discharge, and has no documentary evidence of his service, except that he has preserved those original muster rolls made out by him as orderly sergeant, two of the Capt. Goode's company of minute men, and one of Capt Markham's Company at the siege of York. That he does not recollect having served with or under any regular officers, except at York when he was put into the main army under General Washington.

He hereby relinquishes every claim whatever to a pension or annuity except the present, and declares that his name is not on the pension roll of the agency of any state.

Sworn to and subscribed this day and year beforementioned

[Edward Bass (pension application S6595) certified two tours by Haskins.]

[The following is apparently the muster roll made by Haskins as Orderly Sergeant in Capt. George Markham's company in the tour that included the Siege of Yorktown (28 Sep - 19 Oct 1781). In a statement supporting the pension application (S9214) of John Condrey, Haskins stated that Condrey was on that muster roll.]

Saturday Night the 13th Oct'r 1781

Personally appeared before me, the undersigned, a Justice of the peace in the County & State aforesaid, Aaron Haskins, who, being duly sworn, deposes to the following statement, viz "That from old age & the consequent loss of memory he cannot swear positively as to the precise length of his service for the United States in the Revolutionary War, but according to the best of his recollection, he served not less than the periods mentioned below, and in the following grades, viz, For one month & twenty one days I served as a Sergeant in the minute service, for three months I served as Ensign in the minute service, and for six months I served as Sergeant in the Virginia militia in the United States service in the Revolution, making three months as Ensign & seven & a half months as Sergeant, for which service he claims a pension.

That he could mention several hundred persons he supposes, who can testify to his veracity & their belief of his service in the Revolution, but supposes it will be sufficient to refer to Major Wm Goode, & Capt Edmond Lockett late high sheriff of the County, a to James Elam, Richard Elam & Wm. J. Archer esquires."
