NOTE: "Captain John Renfroe" appears to have been John Renfro, who made pension application W9250 while also living in Barren County at the same time as Bell. Renfro was not at the Siege of Yorktown, however. Although Renfro did not claim to have been a Captain, John Huff (pension application S5590) stated that he was, and records of Henry County show that a "John Rentfro" was appointed Captain in July 1780.
