I, John Childers [sic: John Childress S2423], do swear that I was present when the above named Gideon Crews enlisted in the service of the United States, as he has stated above; that I saw him a few months afterward, at Springfield below Williamsburg in Camp, a soldier of the same regiment in which he enlisted; that a little more than two years after he enlisted, he returned from said service, and called at the house of this affiant on his way home. This affiant further states, that the said Gideon is at this time in very reduced circumstances, and standing in need of the assistance of his country, as this affiant conceives.
