[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

South Carolina Richland District: In the Court of Equity

The affidavit of Deason Enlow formally a private Soldier in the service of the United States of America, States that he enlisted in the service of the same on or about the 17th day of July 1782 in the company of Captain Joseph Warley of the 3rd Regiment of South Carolina Continental Troops commanded by Colonel William Thomson, and that he remained in the service of the same about twelve months and was then discharged, as will appear by the annexed Discharge under the hand of Edm M. Hyrne Major, dated "July 8" -- 1783 -- and that he is now old and weak and in reduced circumstances and deems he has a right to call upon his Country for such assistants as they think he may deserve.
