Pension Application of William Freeman S39547 VA
Transcribed and annotated by C. Leon Harris. Revised 3 March 2014.

## Virginia

At a superior court of Law continued & held for Washington county at the courthouse the 2<sup>d</sup>. day of June 1818.

William Freeman who resides in the county of Scott in the State of Virginia and an applicant for a pension under the act of Congress "To provide for certain persons engaged in the Land and naval service of the United States in the revolutionary war" presented himself in court and upon oath declared that he enlisted as a private in the first Regiment of Artillery commanded by Colonel Charles Harrison of the Virginia line on continental establishment on the twentieth day of December 1776, was discharged on the twenty first of December 1779, having served three years – Captain John Dandridge commanded the company to which he belonged, he was in the action at Monmouth court house in the state of New Jersey on the 28<sup>th</sup> day of June 1778 – that he obtained a regular discharge which has been by accident destroyed, but that the copy which he now produces shows the true date of that paper which was signed by Edward Carrington Lieutenant Colonel of the above mentioned regiment of artillery. He also proves by the evidence of a credible witness that he did enlist for three years in the said regiment of artillery, and the said witness beleives that he served the full term of his enlistment. The said Wm. Freeman farther stated that he is in the 65th year of his age, is debilitated in body by declining health, and has been subject to an extreme weakness in his loins ever since an injury which he received while in military service when making great exertion to remove a piece of artillery: that from his reduced circumstances he needs the assistance of his country for his support Sworn to and declared before me this 2<sup>d</sup> day of June 1818 Peter Johnston

The applicant in this case stated that the regiment of artillery in which he served belonged to the Virginia line. But my own opinion and recollection suggesting to me that altho' Colo. Harrison's regiment was first raised in Virginia, it was subsequently composed of soldiers from other States as well as this, the declaration was drawn up by my direction in its original terms.
