[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

State of North Carolina, Cumberland County

On this 17th day of May A.D. 1825 in open Court, being a Court of Record for said County, personally appeared Robert Ellis, who being duly sworn on oath declares that he is the same person named in the annexed Certificate of Duncan McInnis, and in addition to the facts set forth in the original Declaration appendant to said Certificate, he now states that he enlisted in the North Carolina of the Continental establishment in April 1776 in the company at first commanded by Thomas Allen, but afterwards by James Mills, That said company belonged to the Regiment of which James Moore was Colonel who was subsequently appointed a General. That he the said Robert Ellis continued in said Line of the Continental Establishment as a private Soldier during the war & until the troops were disbanded.

That the reason of his not more speedily prosecuting his original claim for a pension under the aforesaid Declaration is, That the same having been transmitted from the War Department accompanied by a memorandum for further evidence thereof to the Honorable John L. Taylor was by said Taylor mislaid & it is only within a few days passed that the Same being found, it was sent to him the said Ellis. That since the time of making said original Declaration there has been no alteration in the small amount named in the schedule then rendered, nor have his circumstances in any respects materially altered being now as then incapable of supporting himself without the aid of the Government except by private or public charity. And further the said Robert Ellis relinquishes every claim to a pension except the present & further the players that his name is not on the roll of any other State then North Carolina.

Sworn to & declared on this seventh day of May A.D. 1825 before the Superior Court of said County of Cumberland being a Court of Record.

State of North Carolina Secretary's Office

I William Hill Secretary of State in & for the State aforesaid, do certify that it appears from the musterrolls of the Continental line of this State in the revolutionary war, That Robert Ellis a private Soldier in Captain Fenner's [William Fenner's] Company of the 2nd Regiment was mustered on 3rd September 1776 for the term of three years; -- no remark being placed opposite his name, it is believed he served the term for which he enlisted. This belief is strengthened by a Warrant having issued in his name for three years service, on the Certificate of in Officer.

Given under my hand at the Office in Raleigh this 19th May 1825 S/Wm Hill

[p 24] Raleigh 23rd May 1825 Dear Sir

Your letter of the 20th Instant came to hand this morning stating that the certificate I send you in favor of Robert Ellis did not agree with his declaration as to the Capt. under whom he served. I am sorry that I can do nothing more, or better for the old man, his name does not appear on the Rolls in any other place but the one from which I made the Certificate sent you. I have understood that the Captains were frequently changed in the course of the war and it is probable he served part of his time under Fenner and has forgotten it.

Respectfully yours S/ Wm Hill

The Rev. John H. Pearce, Fayetteville North Carolina Favor of Mr. J. Blake
