He does not know what year he was born in but he was born in this County (which was then called Bute [sic: formed from Granville in 1766]) & State. He has no record of his age. He was living near Sandy Creek in the County when he volunteered, & has lived here ever since. He received a discharge from service from Gen'l Sumner through his said Capt Armstrong, but he has lost it or it has been destroyed by age. He states the following as persons living in his neighbourhood who can testify to his character for truth – viz: Presley Parsons, William Parson, T. Patterson, B. Jones, Jeremiah Perry, Arch'ld Yarborough, Philemon Hawkins, & Nathan Patterson. & who can testify also to his good behaviour & most of whom can testify from information received from others of his Revolutionary Services. And he makes oath that he served faithfully through his whole time & that he is now very needy & dependent & unable to work. Solomon hisXmark Bibbie

This may serve to salisfy that a certain colourd man by the name Solomon Bibby was a soldier in the revolutionary war he is a free man and was a water [waiter] to Gen'l. Jethro Sumner. Gen'l Sumner was a citizen of Warren County N.C. and I was raised a neighbour to him I was well acquainted with the aforesaid Solomon Bibby at the time he served under Gen'l Sumner and I now know him and he is still living in this county (say Franklin) Their can not be a doubt but he was a Continental Soldier and served his time faithfully I have only to add that William Ransom Esq'r of this County knows as much or probably more that I do

My Dear Sir [James L. Edwards, Pension Commissioner]:

I am instructed to say the reason why Solomon Bibbie has not heretofore applied for a pension is his ignorance, and the fact of his being a coloured man – neither he nor his neighbours knowing that the provisions of the act of Congress extended to such persons. There is no doubt of his identity, this is believed by all his neighbours, but it would be difficult perhaps to [illegible word] stronger proof than what has been sent on. If the department insists we must try it. I send R. Jeffreys certificate (a very respectable man) – I am Respectfully/ H. W. Miller

NOTES:

Solomon Bibby is on the roster of the 10th NC Reg. under Col. Abraham Shepard and Capt. Edward Yarborough as having enlisted in that regiment for 12 months beginning 17 May 1781. On 16 June 1843 Bibbie stated that he had belonged to the company commanded by Capt. Yarborough.

A record in the file of William Fawn states that he was captured at the surrender of Charleston on 12 May 1780. He therefore could not have served with Bibbie "all the time," as stated by Aaron Devaney.

Nathan Jean stated in his pension application that he served in the Continental Line only during the year 1779. If he was at the Battle of Guilford Courthouse it must have been as a militiaman.

In his own pension application Aaron Roberts did not mention having been at the Battle of Camden.
