[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

That he volunteered in March from the County of Culpeper in the State of Virginia in the year of 1777 (the month not now recollected) as a Soldier in a company commanded by Captain James Pendleton and that he was transferred on the march from Captain Pendleton's Company and placed under the command of Captain Henry Hill in this tour of duty he marched from Culpeper Court House to the Bowling Green in Caroline County and from thence through Fredericksburg Virginia to Leesburg from thence to Fredericktown Maryland thence to Lancaster Pennsylvania and from thence to the encampment at Pigeon Hill Pennsylvania and Joined the Army under the command of General Washington he further declares that by reason of old age and loss of memory he cannot now state the length of service in this tour of duty above named but believes it was fully six months or more. The detachment that marched from Culpeper County Virginia in the year 1777 was under the command of Major William Roberts; he does not now recollect any other field officers; he well recollects Captain Slaughter and Captain Rucker marching from Culpeper County Virginia with the same detachment, that he belonged to; and he having served out his tour of duty he was discharged on the South side of Schoolkill [Schuylkill] River in the month of __ in the year __ but cannot now state the name of the officer who gave him his discharge.

Rappahannock County State of Virginia to wit

This day John Roberts¹ aged about eighty years appeared before me a Justice of the peace for the County aforesaid, and made Oath that he knew Adam Lines [sic] well and that the said Lines served a Tour of duty in the Militia during the War of the Revolution, that marched from the County of Culpeper State of Virginia in the month of August 1777 – and he thinks early in that month, the said Lines was attached to the company commanded by Captain Henry Hill, to which Company he was Lieutenant. The detachment of militia was commanded by his father Major William Roberts which arrived and joined the Army of General Washington in the State of Pennsylvania, a few days after the battle of German Town [Germantown, October 4, 1777]. My impression is that the term of service for that Tour was at least 4 months – Given under my hand and seal this 10th day of February 1838.

Rappahannock February 14th, 1838 Dear Sir –

Your letter of the 16th of December has been received and after reflection on the subject, have given my affidavit which you will receive enclosed as to the services of Adam Lines in the militia, that marched from the County of Culpeper in the year of 1777 – from your statement that Line says he was under Captain William Pendleton, instead of William it was James Pendleton, Pendleton went on as far as what was called Bruses Mills in the state of Maryland from whence he returned home, and also a part of his Company, and the balance of them was placed under Captain Henry Hill, this I know to be the fact as I was Hills Lieutenant – the Detachment of militia was commanded by my father Major William Roberts,

I am and have been much of an invalid ever since the receipt of your letter otherwise it would have been attended to sooner – the County seal is not attached to my affidavit as you requested I send it up to Washington by a gentleman on Monday last to have it [word written over and illegible] but he neglected to attend to it.

I have therefore thought it best to forward it to you as it is, and if you should be compelled to have the seal you can send it down by some friend wishing that this may answer your purpose.

Very respectfully Yr. Obt. Sert. S/ Jno. Roberts

[Veteran was pensioned at the rate of \$23.33 per annum commencing March 4th, 1831, for service as a private for 7 months in the Virginia militia.]
