South Carolina Audited Accounts¹ relating to James Adams SC108 AA23

Audited Account Microfilm file No. 31

Transcribed by Will Graves

1/23/18

[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention.]

[Note: This file contains documents relating to more than one individual named "James Adams." Note the page numbers to find documents relating to a particular veteran by that name.]

[p 7: Form Indent dated September 15, 1784 issued to Mr. James Adams in the sum of Ten Pounds Sterling "Amount of Account of Sundries lost in the Expedition to St. Tilles [Satilla River] in 1777 as per Account Audited."]

[Note: Presumably, this indent was issued to a soldier who went on the ill-fated second expedition to Florida² in 1777 and who lost property while on that expedition.]
