[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention.]

[p 2 : Printed form of Indent No. 598 Book M dated first of October 1784 “delivered to Mr. Thomas Adams late Private in N. Martin’s [Nathaniel M. Martin’s] Troop, Polk’s [Lt. Col. William Polk’s] Regiment Sumpter’s [Thomas Sumter’s] Brigade this our Indented Certificate for the Sum of Ninety-four pounds Sterling being amount pay and bounty due him for Services in that Troop Together with Interest thereon from the first April 1782 to date hereof Agreeable to Resolution of General Assembly of the Eleventh March last.”]

[p 3: Reverse of the above Indent bearing endorsements by Peter Bocquet, Commissioner of the South Carolina treasury, Hugh Pollock, Richard Richardson, Thomas Sumter, John Cartin, Alan Hodge, Philip Hart and Thomas [surname undeciphered, as executor of John Garden’s Estate]. How these men acquired an interest in the indent is not disclosed by the documents in this file.]

[p 4: The image of the document posted on this page is mostly illegible. From prior experience of reading similar documents, however, I believe it is an assignment by Thomas Adams of his right to draw a Negro slave for his services in the South Carolina State Troops under Thomas Sumter. Men who served in the ten months State troops were promised payment in the form of Negro slaves confiscated from the Tories. In the case of a private such as this veteran, he would have been entitled to one grown slave. This document appears to be dated sometime in December 1781 and was signed by Thomas Adams with his mark.]
