[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indcipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8<sup>th</sup> of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

Petition of Mary Going  
29 November 1797  
Committee  
Mr. Robinson  
Major Threewits  
Major Hampton

[p 3]

To the Honorable the President and Members of the Senate of the State of South Carolina  
The humble petition of Mary Going  
Sheweth

That your petitioner is justly entitled to an annuity by an Act of the Legislature of this State past the 15<sup>th</sup> day of March 1786, as will appear by a certificate of a majority of the Judges of Claremont County Court; not receiving any part, previous to the 1<sup>st</sup> of January 1793 appears to be precluded by a resolve passed in December 1794 –

Your petitioner humbly prays, as her not making timely application was owing to her ignorance of the Law which does not do away the justness of her claim. That your Honors will take her case into consideration and grant such relief as to your Honors shall seem meet.

And your petitioner will pray  
S/ Mary Going
