[Methodology: Spelling, punctuation and/or grammar have been corrected in some instances for ease of reading and to facilitate searches of the database. Where the meaning is not compromised by adhering to the spelling, punctuation or grammar, no change has been made. Corrections or additional notes have been inserted within brackets or footnotes. Blanks appearing in the transcripts reflect blanks in the original. A bracketed question mark indicates that the word or words preceding it represent(s) a guess by me. The word 'illegible' or 'indecipherable' or 'undeciphered' appearing in brackets indicates that at the time I made the transcription, I was unable to decipher the word or phrase in question. Only materials pertinent to the military service of the veteran and to contemporary events have been transcribed. Affidavits that provide additional information on these events are included and genealogical information is abstracted, while standard, 'boilerplate' affidavits and attestations related solely to the application, and later nineteenth and twentieth century research requests for information have been omitted. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading skills fail to catch all misinterpretations. Also, dates or numbers which the software treats as numerals rather than words are not corrected: for example, the software transcribes "the eighth of June one thousand eighty six" as "the 8th of June 1786." Please call material errors or omissions to my attention. Researchers should not rely solely on the transcripts but should review the originals for themselves. These transcripts are intended as an aid to research, not to be used in lieu thereof.]

[Note: The following record is taken from South Carolina Stub books l-n, p 38:

No. 229
Book L Issued the 8th of October 1784 to Mr. Charles Moorhead
for Thirteen Pounds two Shillings and ten Pence
farthing Sterling for 92 Days Militia Duty in 1779
per Account Audited
Principal £13.2.10 ¼ Annual Interest £0.18.4]

[Note: I think this veteran was not the one who died in the prison ship following his capture at Briar Creek on March 3, 1779. I base my view on 2 facts: 1st in 1784 when the indent was issued the veteran was dead in the indent would have been issued to his estate rather than to the veteran; and 2nd the amount of this indent for 92 days service in 1779 exceeds the number of days that the veteran captured at Briar Creek on March 3, 1779 could have accrued by that date.]
