Blanks appearing in the transcripts reflect blanks in the original. Folks are free to make non-commercial use this transcript in any manner they may see fit, but please extend the courtesy of acknowledging the transcriber—besides, if it turns out the transcript contains mistakes, the resulting embarrassment will fall on the transcriber. I use speech recognition software to make all my transcriptions. Such software misinterprets my southern accent with unfortunate regularity and my poor proofreading fails to catch all misinterpretations. I welcome and encourage folks to call those and any other errors to my attention.]

House of Rep. January 29th 1853¹

Sir

I am under the necessity of calling upon you for a copy of all the papers in your office respecting Edward Box's application for a Revolutionary pension, he was for many years upon the pension Roll, and his pension was suspended upon an affidavit filed in your office stating that said Box was a Tory. I filed proof showing that the affiant was not worthy of credit and as that Box be restored to his place upon the pension Roll, you required that Box should make out a case denovo [sic, de novo] & I withdrew the papers and referred them to the Committee for Rev. Pensions of this House, they have been mislaid & I therefore asked that you get me a copy of such papers as you have upon this subject, as I hope to have the case acted upon this session, You will oblige me very much by responding at as early a day as your convenience will permit.

Very Respectfully
Your Obedient Servant

¹ I have included this letter because I think it sheds light on why this file contains no original pension application with regard to this veteran's claim.
