NOTE:
The sense of the passage referring to “George Brickel” seems to be as follows: “he (Battershell?) encouraged George Brittle to apply for bounty land for the service of his brother, Thomas Brittle, with John Harrison as agent, who put the claim into the hands of Capt. Uriah Springer.” George Brittle was, in fact, awarded 200 acres for the services of Thomas Brittle. Uriah Springer (pension application R10017) had been a Captain in the same regiment as Brittle and Battershell.

The family record mentioned in the original application is transcribed below. On 27 Sep 1845 Mrs.
Battershell applied for a new copy of her pension certificate, alleging that her agent, Lewis Suggett of Scott County KY, had given the certificate to a Rev. Beatty because of her refusal to pay the fee Suggett demanded for his services.
